

April 8, 2018

Oklahoma State Legislature
2300 N. Lincoln Boulevard
State Capitol Building
Oklahoma City, OK 73105

Dear Senate and House Members,

On the morning of Monday, April 2, 2018, Oklahoma teachers initiated a real-life civics lesson for their students by descending upon the Capitol to protest the state of public education. Images from classrooms in our state have gone viral: broken chairs, exposed wires, crumbling textbooks older than the teenagers who tape them back together. In the week leading up to the walkout, our legislature passed a bill designed to stem the incoming tide. They increased revenue for the first time in decades, providing necessary school funding and the first teacher pay raise in 10 years.

It was not enough.

Girl Attorney, LLC, is a national organization founded in 2016 by an Oklahoma attorney. We are a community of women in the legal profession who support one another both professionally and personally. We are also well-educated citizens who love a good challenge. And today we extend our support to the women and men demanding that the Oklahoma legislature can and must do better.

We will be visiting the Capitol on Monday, April 9, 2018. The purpose of this visit is to meet with members of the 56th Legislature to discuss their plans to fully fund public education in Oklahoma. Various stakeholders have proposed possible solutions, and we expect our elected representatives to be able to speak intelligently about the merits and potential pitfalls of each. We also expect that a representative who is ideologically opposed to a particular proposal will be prepared to present a detailed alternative. We are business owners and taxpayers ourselves; if there is a means of providing a quality public education to our children without increasing taxes, then we would love to hear the details.

We *love* details.

As Oklahomans, we so pride ourselves on our ability to come together in difficult times that we gave it a name. We call it the Oklahoma Standard, and that is what we expect from the people we sent to the Capitol. If a legislator is unable or unwilling to contribute to a sustainable solution, then we will work to find a replacement.

Maybe she'll be there on Monday.

Signed,

The Women of Girl Attorney, LLC
